

An aerial photograph of Bergen, Norway, showing the city built on a peninsula and surrounded by fjords. In the foreground, a group of people is sitting on a stone ledge overlooking the city and water.

Nordic Melanoma Meeting, 7 – 9 September 2016, Bergen, Norway

Dear colleagues, welcome to Bergen and the Nordic Melanoma Meeting 2016!

The meeting brings together top researchers and clinicians from the Nordic countries as well as leading scientists from around the world and offers fruitful scientific discussions and collaboration possibilities in beautiful surroundings.

The NMG annual meeting 2016 offer a combination of talks by invited international speakers and senior researchers, extended abstract sessions where younger researchers can present their work, and ample time for interaction between participants.

Bergen is "The Gateway to the Fjords of Norway" and an international city packed with history and tradition, a big city with small-town charm and atmosphere. Bergen likes visitors. And Bergen is worth a visit.

Welcome!
