

3rd Norwegian-American Aesthetic Surgery Meeting (NAAM3) Second Announcement

Friday and Saturday, October 25-26, 2019
Oslo, Norway

After the success of the 1st and 2nd Norwegian-American Aesthetic Surgery Meetings in Oslo, with 157 participants from 32 different countries, the Norwegian Society for Aesthetic Plastic Surgery (NSAPS) and the American Society for Aesthetic Plastic Surgery (ASAPS) are pleased to invite you to the 3rd Norwegian-American Aesthetic Surgery Meeting, October 25-26, 2019.

We are proud to announce that we have already gathered superb faculty, and more than 30 colleagues from 16 countries will be contributing—Professor Foad Nahai, Sydney Coleman, Mark Jewell, Ruth Graf, Giovanni Botti, Moustapha Hamdi, Luiz Toledo, Norbert Pallua, Kye Higdon, Lee L. Q. Pu, and Guy Magalon, just to name a few—together with other Norwegian, American, Nordic, European, and international faculty. Many lectures and courses will be presented at this educational 1.5-day meeting.

As tradition obliges, the program will be divided into 8 specific sessions: face; breast (2 sessions, including the latest on ALCL and updates on recent innovations/long-term results from the leading breast implant brands); stem cells, fat grafting, and regenerative surgery; quality of life, patient complaints; and patient safety, including morbidity and mortality in combined/high-risk procedures in aesthetic surgery; postbariatric (MWL patients) and body contouring surgery; practice management; and aesthetic medicine.

For special inquiries, please email oslomeeting@naam.no or go to our meeting website at www.naam.no. Information about the meeting hotel and other alternatives can be found on the meeting website.

Registration is now open. Early Bird: until March 31, Advance: until August 15, Regular: until October 1, On-site: After October 1 and on-site. To registers, please go to www.naam.no and scroll down to registration. Payment can be made through PayPal. There will be a faculty/congress dinner on Friday, October 25. Please consider registering for that as well.

On Friday evening just before dinner, we will be hosted by the mayor of Oslo with a special reception in the city council. Final confirmation of this event will come soon.

The congress will be held in Oslo, the beautiful capital of Norway at the beautiful Oslo Military Society. Oslo, with its fjords and natural surroundings, can be sunny and chilly in late October, about 16°C (60°F), with clear skies and a chance of rain.

We look forward to this exciting meeting and to seeing you in Oslo, October 25-26, 2019.
