About ICOPLAST: The International Confederation of Plastic Surgery Societies (ICOPLAST) is a confederation of more than 50 National Plastic Surgery Societies throughout the world. Its mission to improve patient outcomes worldwide; to educate, communicate, advocate and advance the specialty of Plastic Surgery globally; to ensure that quality and safety are the essential components of reconstructive and aesthetic plastic surgery training and patient care, and to encourage collaboration of national plastic surgery societies worldwide. For further information, visit [www.ICOPLAST.org](http://www.ICOPLAST.org); or email direct inquiries to [info@icoplast.org](mailto:info@icoplast.org).
